British Journal of Hospital Medicine

Index/volume 53

18 January 1995 to 20 June 1995

A

Accountability and governance in the NHS. *A–Z of management and finance in the NHS.* R Hodges and K Starkey....52

Acute intermittent porphyria: a family study. *Case report.* M El-Shazly....169

Adult respiratory distress syndrome, nitrous oxide use in, gold to silver: reverse alchemy? *Corres.* C Wong....535

Advances in hepatology — transplantation, prognosis and imaging. *Editorial.* P Kumar....68

Afnan M *see* **Sharif K et al**

Airway
lack of control in general anaesthesia. *Corres.* R Williamson; D Buggy et al....474
safe, in rheumatoid arthritis. *Anaesthetic dilemma.* J Soar and J Handel....214

Airway management
in myasthenia gravis. *BJHM neurology symposium: anaesthetic dilemma.* NJ Kennedy and W Lim....322
paediatric. *Corres.* J Brimacombe and D Gandini....175

Aithal PG and **McIntyre P**. Unusual presentation of pneumothorax. *Case report*....289

Alvarez J and **Murday A**. Mitral valve repair. *Review*....221

Ambulatory myocardial ischaemia in stable angina. *Review.* MM Gandhi....526

Anaemia in children. *MRCP(Paeds).* JC Welch and JS Lilleyman....387

Anaesthesia
for carotid surgery. *FRCA.* M Wilkes and N Hickey....31
third-degree heart block during, on two successive occasions. *Case report.* GN Morris...530

Anderson C, Anderson RH, Gale R, Grant J and **Kimberley M**. Comparability of English and Welsh Doctor of Medicine degrees. *BJHM education and training symposium*....195

Anderson J *see* **Shaw A et al**

Anderson M. Management of ventricular arrhythmias. *Corres*....174

Anderson RH *see* **Anderson C et al**

Angina, stable, ambulatory myocardial ischaemia in. *Review.* MM Gandhi....526

Angiotensin-converting enzyme inhibitors and heart failure: towards evidence-based health care. *Editorial.* MR Cowie and SMC Hardman....186

Antiplatelet antibodies. *Editorial.* Kelsey HC and Machin SJ....485

Anxiety: one of medicine's blind spots. *Editorial.* C Williams and P Snaith....126

Aortic dissection, unusual presentation of. *Case report.* IL Mortimore....109

Appetite control, role of cholecystokinin in. *Corres.* CBHW Lamers et al....113

Appleby M. Bibliography for the MRCP Part I examination. *MRCP*....534

Appraisal
of doctors in the NHS: merit awards and performance-related pay. *A–Z of management and finance in the NHS.* S Macara....111
personnel. *Review.* GEB Giddins....162

Armatage RJ and **Farquharson RG**. Endometrial resection. *MRCOG*....90

Aslam BH *see* Lambert MA and —

Assessment and management of snoring: a surgical perspective. *Review.* AS Carney and PJ Robinson....515

Atkinson R *see* **Murray P and —**

Auxology. *How to do it in paediatrics 4.* C Smith and JKH Wales....513

B

Bailey CR and **de Mello WF**. Recommended reading for the FRCA diploma. *BJHM education and training symposium*....190

Bailey N and **Calvert H**. Role of taxanes in cancer therapy. *BJHM oncology symposium*....10

Banahan I, Quenby S, Stewart H and Farquharson R. Pre-operative gynaecological clinic. *Corres*....535

Barik S and Ghosh K. Pre-operative gynaecological clinic. *Corres*....535

Bentley G *see* **Haddad FS et al**

Betrayed by biomedical fraud. *In the public's view...* NW Goodman....343

Bhandari S. Pictures in medicine 6. *Postgrad Exam Suppl*....394

Bibliography for the MRCP Part I examination. *MRCP.* M Appleby....534

Billing rules for medical managers. *A–Z of management and finance in the NHS.* T Graham....171

Biomedical fraud, betrayed by. *In the public's view...* NW Goodman....343

Bloody heart of the matter. *Corres.* PF Chinnery....114

Bonser RS *see* **Pagano D et al**

Boulos A. Gynaecological mistake. *Corres*....474

Breast examination for surgical short cases. *FRCS.* JP Chitnavis....507

Bright-Thomas RM, Wakefield SE and **Moss FL**. Prosthetic hip joint infection presenting as perianal sepsis. *Case report*....229

Brimacombe J and Gandini D. Paediatric airway management. *Corres*....175

Broomhead CJ
Physiology of postoperative nausea and vomiting. *FRCA*....327
Reducing the incidence of postoperative nausea and vomiting. *FRCA*....511

Brown S and **Ede R**. Occult lead poisoning. *Case report*....469

Bryson PJV *see* **Morgan MS et al**

Buggy D, Schnittger T and Fox L. Lack of airway control in general anaesthesia. *Corres*....474

Burke J *see* **Smith C and —**

Burn S and **Caplin JL**. Myocardial hibernation. *Review*....395

Burns, large, early management of. *Review.* A Shaw et al....247

Busatto GF and **Pilowsky LS**. Neuroreceptor mapping with in-vivo imaging techniques: principles and applications. *BJHM neurology symposium*....309

Butler GE. Short-term growth in children. *Corres*....175

C

Calcium, raised serum level surgical management: decision-making in surgery. *FRCS.* M Davies and P Thomas....330

Calvert H *see* **Bailey N and —**

Calvert JP. Reversal of female sterilisation. *MRCOG*....267

Campbell P *see* **Muhammed N et al**

Compiled by Jill C Halliday, BSc

Cancer
and growth factors. *BJHM oncology symposium.* M Hernandez-Bronchud 20
improvements in treatment: small steps or giant strides? *Editorial.* R Cowan....9
Caplin JL *see* **Burn S and —**
Cardiac failure
end-stage: surgical options. *Editorial.* RH Swanton....428
end-stage, myoplasty as a surgical option. *BJHM cardiology symposium.* MP Hayward et al....435
in late pregnancy. *Corres.* DM Levy; S Cray....415
Cardiac transplantation — the next decade. *BJHM cardiology symposium.* SR Large....440
Cardiopulmonary exercise testing, physiology and clinical applications. *Review.* MP Hayward et al....275
Carney AS and **Robinson PJ.** Assessment and management of snoring: a surgical perspective. *Review*....515
Carotid bruit: does it matter? *Editorial.* HS Khaira and MC Crowson....427
Carotid surgery, anaesthesia for. *FRCA.* M Wilkes and N Hickey....31
Central venous catheter care. *Corres.* CR Dart and RPD Cooke....113
Cervical cancer, primary surgical management of. *MRCOG.* R Kingston....447
Cervical spine in neurofibromatosis. *BJHM neurology symposium: case report.* FS Haddad et al....318
Chandler CL and **Cummins B.** Initial assessment and management of the severely head-injured patient. *Review*....102
Chinnery PF. Bloody heart of the matter. *Corres*....114
Chitnavis JP
Examination of the abdomen for surgical short cases. *FRCS*....27
Examination of the breasts for surgical short cases. *FRCS*....507
Cholecystokinin role in appetite control. *Corres.* CBHW Lamers et al....113
Clinical directorates. *A–Z of management and finance in the NHS.* C Rea....2311
Clinical risk management. *A–Z of management and finance in the NHS.* D Knowles....291
Clinical use of procaine. *Corres.* MG Wright; C Smith....296
Cockcroft A. Hepatitis B virus and employment in the NHS. *Editorial*....484
Cohen SI. Patients who (need to) tell stories. *Corres*....54
Colonoscopy surveillance services rationalisation: the need for clearer guidelines. *Review.* MP Saunders....489
Communication skills, senior registrars': attitudes to and need for training. *Review.* J Parle et al....257
Community care. *A–Z of management and finance in the NHS.* J Neuberger and A Sutcliffe....351
Community health councils. *A–Z of management and finance in the NHS.* T Harris....413
Comparability of English and Welsh Doctor of Medicine degrees. *BJHM education and training symposium.* C Anderson et al....195
Complications of transvenous temporary pacemaker insertion. *Review.* JP Cooper and RH Swanton....155
Concorde trial, lessons from. *Corres.* BG Gazzard....296
Conflict and its management. *A–Z of management and finance in the NHS.* R Fritchie....471
Consent for surgical treatment. *FRCS.* D Johnston and P Thomas....211
Consultants, new deal. *Editorial.* RT Marcus....185
Consumer audit in the NHS. *A–Z of management and finance in the NHS.* N Dennis....532
